(*a*) Over estimate of amount required.

(*b*) The large surplus in the salary vote and the overdraft in miscellaneous were caused by retirements from the Service of a large number of employees who had been appointed to the permanent staff whose places had to be filled by temporary labourers. These persons not being eligible for appointment to the permanent staff of the Department had to be paid from the vote provided to cover miscellaneous expenditure.

(*c*) It is impossible to calculate in advance the amount that will be required to maintain the Service for a year owing to the changing conditions in the Yukon District.

Re Customs Revenue.

AUDIT OFFICE, OTTAWA, August 23, 1910.

SIR,—Customs revenue amounting to $980.41 was collected in North East Territories during 1908-09. Nothing came to account for 1909-10. Please explain.

The revenue from Cornwall during 1908-09 was $66,776.11; during 1909-10, $33,652.00—a reduction of nearly 50%.

The revenue from Kenora during 1908-09 was $53,023.77; during 1909-10, $32,692.23—a reduction of nearly 40%.

Have you enquired into cause of these reductions ?

I am, sir, your obedient servant,

The Commissioner of Customs. J. FRASER, *A.G.*

DEPARTMENT OF CUSTOMS, OTTAWA, September 20, 1910.

SIR,—Upon receipt of your letter of the 23rd ultimo, in which you called attention to reductions in the Customs revenue for 1909-1910 as compared with the revenue for 1908-1909, enquiries were made of the Collectors of Customs at Cornwall and Kenora.

The Collector at Cornwall reports that the reduction in revenue at his port is accounted for by an entry made on the 26th December, 1908, for the dredge *Industry*, upon which the Department of Railways and Canals paid $39,344.75 customs duty.

The report from the Collector at Kenora is to the effect that a large flour mill was installed and almost completed in 1908-1909; that during the same year the Canadian Pacific Railway were double-tracking their line between Winnipeg and Fort William; that the Transcontinental crosses the Winnipeg river sixteen miles north of Kenora; that thousands of men were coming and going through the town, and that there was an enormous increase in the consumption of spirits. The work was mostly finished during 1908-1909, and the men left for other places.

The Collector submits the following statement, viz:—

The Auditor General.

Statement.

No importations appear to have been made in 1909-10 at Chesterfield Inlet in the North East Territories, where officers of the Royal Northwest Mounted Police, acting for the Customs, are stationed.

The importations at Moose Factory, York Factory and other posts of the Hudson's Bay Company in Hudson Bay, are accounted for through the port of Winnipeg.

No collections were made at Fullerton or Ponds Inlet.

There are no customs officers stationed at Kekerton, Fullerton or Ponds Inlet, and no customs duties were collected there last year.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

AUDIT OFFICE, OTTAWA, November 12, 1910.

Re Inspection of Ports.

SIR,—In your letter of January 26th, 1910, you stated that the inspection of the ports in Nova Scotia had been delayed owing to the illness of the Inspectors. You add that assistance has been furnished and you are assured the inspections will now come forward in due course so as to cover each port and outport once a year.

The following are the returns since received:—

January	Halifax
May and June	Yarmouth and 3 outposts
July	Digby and 4 outposts
August	Liverpool
	Lockport
	Port Hood and 3 outports
September and October	Canso and 3 outports
	Port Hawkesbury and 1 outport

There are 19 ports and 43 outports in Nova Scotia that have not been inspected this year.

Your attention is requested.

I am, sir, your obedient servant,

The Commissioner of Customs. JOHN GORMAN, *for A.G.*

DEPARTMENT OF CUSTOMS, OTTAWA, November 16, 1910.

SIR,—I have the honour to acknowledge the receipt of your letter of the 12th instant, in which you state that there are 19 ports and 43 outports in Nova Scotia which have not been inspected this year.

I find that a number of inspection reports have been received from this Province and forwarded to your Department since your letter was written; and would advise you that this matter has recently been brought to the notice of the Inspectors, with the view of having the remaining ports and outports inspected.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

Re Collectors' Bank Accounts.

AUDIT OFFICE, OTTAWA, January 7, 1911.

SIR,—According to your instructions to collectors (2) those collectors who deposit to credit of Receiver General every two or four days or weekly should deposit to credit of Collectors' Bank account daily if the receipts amount to $25.

This regulation is followed by some but not all of the collectors. Several deposit to credit of Collectors' Bank Account only on the days when they make the deposit to credit of Receiver General.

In these cases a debit and credit entry appear on same day, frequently for hundreds of dollars.

The clerk in your Department who examines these accounts should note such cases and the collectors should be notified to observe the regulation.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

AUDIT OFFICE, OTTAWA, January 10, 1911.

SIR,—The Collectors' Bank Accounts for May, June, July and August were recently received. It would be more satisfactory if they could be furnished monthly.

The collector at Winnipeg does not include the advances made for contingencies in his bank account, nor the cheques issued. A memo. is attached but no details.

In the account of the collector at Victoria for June a deposit of $2,500 is entered for special permission, and later on a cheque for the amount was issued in favor of the collector. Please explain.

At Revelstoke the contingent advance was overexpended $132.48 in June; and at St. Andrews the Department cheque for salaries was overexpended in July by $216.20.

At Chatham, N.B., Customs entries 224-233 seem to have been omitted in July.

I am, sir, your obedient servant,

The Commissioner of Customs. J. FRASER, *A.G.*

DEPARTMENT OF CUSTOMS, OTTAWA, January 31, 1911.

SIR,—I beg to acknowledge the receipt of your letter of the 10th inst. on the subject of Collectors' Bank Accounts and have made the necessary enquiries in respect of the various matters referred to therein.

The unusual delay in forwarding the bank accounts for the months of May, June, July and August last was caused by the absence, through illness, of the clerk engaged in this work and I understand that the cause of the delay was personally explained by the accountant to your Mr. Gorman.

Your statement that the collector at Winnipeg does not include the advances made for contingencies in his bank account, nor the cheques issued, is incorrect, as such details are given in each monthly bank statement. The memo. attached to the statement to which you refer is not required by this Department and is unnecessary, as full particulars of all transactions are shown in the statement.

The deposit of $2,500 entered in the bank statement of the collector at Victoria for the month of June as a special permission, covers a deposit taken by the collector on a sub-marine cable imported from England, pending instructions from the Department as to the liability for duty. The Department decided that such portion of the cable as was laid under the water level at lowest tide was exempt from duty and in accordance with this decision $2,478 of the deposit was credited to customs duties and a proper entry passed therefor, and the balance of $22 was refunded to the Canadian Pacific Railway Company, as shown by the notation on the back of the cheque.

The action of the collector at Victoria in regard to this matter was irregular as a sight entry should have been passed upon receipt of the deposit and the whole amount placed to the credit of the Receiver General on account of customs duties; refund to be made after the receipt of the decision of the Department as to the duty properly payable.

With respect to the contingent advance overexpended by the collector of customs at Revelstoke you are advised that when such was noticed a further accountable advance of $200 was sent to the collector and he was cautioned that overdrafts were not permissable under the regulations.

The salaries cheque for the port of St. Andrews for the month of July was not overexpended as stated. The collector at the port made out the salary cheques for his officers on the 29th of July but not receiving the Departmental cheque on the date expected he held the cheques over and they were not handed to the officers until after the Departmental cheque had been received. The action of the collector in drawing the cheques before the receipt of the Departmental cheque was irregular, and his attention has been called to the irregularity.

Entries Nos. 224 to 233 were not omitted by the collector of customs at Chatham, N.B. in the month of July but the bank statement was incorrectly prepared. The entry in the bank statement covering entries 222 to 223 should read 222 to 233 as the deposit of $42.97 made on the 2nd July, 1910, covered duties collected by entries 222 to 233 inclusive.

I am, sir, your obedient servant,

JOHN McDOUGALD,

Commissioner of Customs.

Re Interest on Railway Subsidies.

AUDIT OFFICE, OTTAWA, December 24, 1910.

SIR,—I enclose a statement showing the interest collected from subsidized railways during the last three years, classified by Departments.

Apart from the Post Office Department it is a question if the other Departments shown on this statement have not paid to the subsidized railways more than the amounts retained and credited to this account.

I would call attention to the Departments from which nothing appears, such as Agriculture, Marine and Fisheries, Public Works and Railways and Canals.

I understand that all the Departments have been furnished with a list of railways subsidized.

Would it not be well that each Department should be required to furnish quarterly statement showing the amounts retained from these Companies and if nothing has been retained stating that no services had been performed by them

I am, sir, your obedient servant,

The Deputy Minister of Finance. J. FRASER, *A.G.*

FINANCE DEPARTMENT, OTTAWA, January 7, 1911.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 24th ultimo, on the subject of interest collected from subsidized railways, which will receive consideration.

This Department has been giving a good deal of attention to the matter for the last year or so, and every effort has been made to advise the Departments of the provisions of the law in regard thereto. Further consideration, however, will be given on the lines of your letter.

Yours truly,

The Auditor General. T. C. BOVILLE, *D.M.F.*

FINANCE DEPARTMENT, OTTAWA, January 21, 1911.

SIR,—I beg to enclose herewith a copy of two letters which I sent to the various Departments on February 1, 1907, and June 16, 1909, in the matter of deductions to be made from transportation charges of the various railway companies receiving subsidies under the several Acts passed since 1899. The Government, as you are aware, is permitted to retain three per cent per annum of the subsidy received by such railway Company.

The suggestion made in the concluding paragraph of my letter of June 16, 1909, for the adoption of a system of requisitions whereby all transportation charges would be paid for at head-quarters, thus affording an opportunity for making any deductions which might fall within the provisions of the three per cent clause of these several Acts, has been adopted by some of the Departments, and in such cases has resulted in an increased revenue from this source.

I am enclosing herewith six copies of a Table showing the railway contracts entered into since the passing of the first Act in 1899 down to April 5, 1909, for your information and guidance, (particulars as to contracts entered into since

April 5, 1909, may be obtained on application to the Department of Railways and Canals) and I should be obliged by your letting me know if any plan has been adopted in your Department to obtain a compliance with the provisions of the three per cent clause above referred to.

I remain, sir, your obedient servant,

The Auditor General. T. C. BOVILLE, *D.M.F.*

AUDIT OFFICE, OTTAWA, January 24, 1911.

SIR,—I have received your letter of 21st instant, stating the steps taken by you to insure that the different Departments withhold payments to Subsidized Railways to the extent of 3% on the amount of the subsidies. You inquire if any plan has been adopted in this Office to obtain a compliance with this provision of the Subsidy Acts.

As I was aware that your Department was acting in connection with subject, apart from calling your attention to the fact that the regulation was seemingly not fully observed by all the Departments, no action was taken by this Office.

As the observance of this provision of the Subsidy Act by the several Departments, devolves on your Department, it was not considered advisable for this Office to have any communication direct with the Departments in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister of Finance. J. FRASER, *A.G.*

FINANCE DEPARTMENT, OTTAWA, January 25, 1911.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 24th instant. My letter to you of the 21st instant, respecting interest on Railway Subsidies, was in line with letters sent to the different Departments to ascertain if any action had been taken by the respective Departments to withhold payments to subsidized railways to the extent of 3% of the amount of the subsidy. Perhaps it was not clear in your case, but I merely wished to ascertain if in your office any action had been taken with the view of taking advantage of the 3% clause.

Yours truly,

The Auditor General. T. C. BOVILLE, *D.M.F.*

Re Three Rivers Harbour.

AUDIT OFFICE, OTTAWA, September 27, 1910.

SIR,—No interest has been paid on the advances made to Three Rivers Harbour since 1895.

The report of the Commissioners for the calendar year 1909 shows the receipts to have been.....$ 20,783 71

and the expenditure:—

For maintenance	$ 6,052 71	
Interest on debentures	9,525 00	
Sinking Fund	1,905 00	
Surplus	3,301 00	
		20,783 71

The same report shows that the Commissioners had at their credit in the Bank $13,622.42, made up by accumulated surpluses.

Under these circumstances it would seem that they should be called on to pay the interest on the amount due to the Government.

I am, sir, your obedient servant,

The Deputy Minister of Finance. J. FRASER, *A.G.*

FINANCE DEPARTMENT, OTTAWA, September 30, 1910.

DEAR SIR,—I beg to acknowledge receipt of your letter of the 27th instant, respecting arrears of interest due by the Three Rivers Harbour Commission.

I am communicating with the Commission calling attention to how the matter stands and asking for a remittance.

Yours truly,

The Auditor General. T. C. BOVILLE, *D.M.F.*

Superannuation Revenue.

W. T. Huggan, Prince Edward Island Railway, abatements should be $31.20, of this amount $15.60 is credited to account 1911-12.
